

Activity Cote d'Ivoire conflict: ADRA NZ

Programme Humanitarian

Status Completion Country Cote d'Ivoire

Sector Material relief assistance and services

Start Date 9/08/2011 End Date 8/08/2013

Activity Outcome

2,940 vulnerable people (420 families) receive assistance to return to their communities and rebuild 420 homes. 620 families (4340 people) receive assistance to re-establish livelihoods with the provision of seeds, tools and training on market gardening and up to 35,000 affected people receive psycho-social support in response to the conflict in Cote d'Ivoire.

Activity Description

This Activity funds the facilitation of the voluntary return of 420 vulnerable families to Cote d'Ivoire by providing reconstruction kits and food security kits and trauma support to assist with post conflict recovery.
